

First Forest Fire Of Season Hits Truckee District

Largest Fire in Three Years
Should Be Warning
For Future

The Truckee District of the Tahoe National Forest experienced its first forest fire of the 1954 season with a four-acre timber blaze in the Dry Creek country Friday.

The fire, discovered and reported by an airplane pilot, would have done considerable damage to sheep and deer range if the report had reached the forest officer later in the day.

Credit is given by the forest service to Mrs. Harold Pabst of Boca for her simultaneous discovery of the fire which resulted in fast orientation of the exact location of the blaze, enabling crews to reach the spot without loss of time.

This was the largest fire on the Truckee District within the past three years and its occurrence so early in the spring should be a fore warning of the fire danger that can be expected this summer.

Burning permits are now required and residents are urged to contact their local forest officer or fire district officers before attempting to burn trash in incinerators or open piles.

Residents of the Lake Tahoe area may obtain their permits from either the Truckee Ranger Station of William Kent at the campground. Residents within the Tahoe City Fire District may obtain permits from Fire Chief Al Henry. Residents of Donner, Hobart Mills, Boca and upper Truckee River area may get their permits at the Truckee Ranger Station.

Residents within the newly extended Truckee Fire District comprising Gateway, Meadow Park and Highway 40 areas west to the Donner State Park may get permits from Fire Chief N. F. Dolley, Assistant Chief Glen Coffey or Captain H. L. Owens.

Miss Tiffie Announces Engagement at San Jose

Announcement of the forthcoming wedding of Miss Blodwyn Tiffie of Tahoe City to Kenneth R. Bruce of San Jose was made in the latter city this week.

Miss Tiffie is the daughter of Mr. and Mrs. George Tiffie of Tahoe City, a graduate of the Tahoe Truckee High School, Sacramento Junior College and currently is a student at San Jose State College where she is majoring in general education.

Bruce is the son of Mr. and Mrs. John C. Bruce of San Jose. He is a pre-law student at San Jose State and a member of Delta Sigma Phi.

No date for the wedding has been set, both young people wishing to continue with their schooling for the time being.

Miss Tiffie is well known here. She attended the Tahoe Lake elementary school before continuing at the local high school. Her mother is a teacher in the Truckee elementary school.

Sparks Couple Held On Drinking Charges

Ross Baker, Sparks, Nevada, was released on \$250 bail following his appearance before Judge F. W. Wilson this week on a drunk driving charge. Mrs. Jean Baker, arrested at the same time on a drunk charge was released on \$50 bail. They were arrested by the highway patrol.

Dog Theft Charge At Tahoe Is Reduced

TAHOE CITY—A grand theft charge against Eddie Posey of Reno for dog stealing, was reduced to a charge of petit theft this week.

When Posey appeared before Judge Harry Charrison in the Tahoe Judicial Court he pleaded guilty to the lesser charge and was sentenced to serve 60 days in the Placer County jail. Upon the suggestion of the court, Posey promised to return to his former home in Texas when he is released.

Posey was accused of stealing a valuable dog from Jay Shontz, a Tahoe City druggist, and attempting to sell it in Sacramento.

Sunshine Girls Audit

The auditing committee of the Pythian Sisters Sunshine Girls will meet May 29th instead of today as was reported in last week's Sierra Sun. Mrs. Pearl Heller, royal advisor for the group, said the auditing committee comprises Nancy Marquis, Donna Songer, Sharon Pace, Janice Gray, Ireda Harris and Mrs. Heller.

CLEAN DIAMOND
Daven Morey, president of the Truckee Athletic Club reported a good turn out of volunteers who cleaned the ball park of debris on Monday evening. Women members of the group served refreshments to the workers.

Robert Bick, Veteran Southern Pacific Man Is Retiring Here Today

Another local veteran railroader is retiring today. Robert P. Bick, agent-telegrapher is leaving the Southern Pacific Company with 52 and a half years of continuous railroad service.

Bick started his railroad career in Missouri at an early age and was employed by the Missouri Pacific and Union Pacific Railroads before coming to the Southern Pacific where he has been employed for 46 and a half years continuously.

The late Joseph E. Bick, his brother, was agent at Truckee from July, 1923 to January, 1932, when he was relieved by R. P. Bick who remained as Truckee agent until August, 1946, and has since been employed as first telegrapher and manager for the Western Union Telegraph Company until today.

Shortly after retiring, Bick and his wife will visit in several eastern cities and upon their return will make their home in Truckee. A reception for the well known and popular agent will be held this evening at Capitol Hall. The affair will be given by Mr. and Mrs. Ed Gily of Reno, son in law and daughter of Mr. and Mrs. Bick.

His many friends throughout the community will join in extending hearty best wishes for an enjoyable retirement to Bob.

Oilmen Of This Area Organize Committee For Local Information

Truckee district oil men met this week at Donner Lake Lodge and elected C. W. Kydd chairman of the Truckee Oil Information Committee.

The committee is a voluntary organization of all local oil men in this area and its primary objective is to acquaint the people of the area about the petroleum industry. The Oil Information Committee is a national program under the auspices of the American Petroleum Institute and is directed in the west by the Western Oil and Gas Association.

There are at present more than 400 such committees in the five western states and are so organized as to participate in local and civic community projects. They have available speakers and motion pictures free of charge to any civic, service or church organization.

Kydd will soon announce the appointment of his other officers to assist him during the coming year.

Attendance at the meeting were C. V. Osburn, Charles W. Morrison, C. D. Heller, C. H. Ellis and Jack Ellis. Ray L. Carter, chairman of the Nevada Oil Information Committee; Wayne C. Hinkley, chairman of the Reno Committee and Warren Hillgren, public relations representative of the association, also were in attendance.

RUTH OSBURN WINS ART AWARD IN MEET

Miss Ruth Osburn, daughter of Mr. and Mrs. Clarence Osburn, was honored at the April 21-24 Redding convention of the California Federation of Women's Clubs when her painting was judged winner of the contest for young artists.

Mrs. Fred Pedley, president of the Wyethia Club accepted the award for the local club and the prize will be sent to Miss Osburn, who will graduate this year from the Tahoe Truckee High School.

Trade Winds Will Reopen Dining Room for Season

KINGS BEACH—Residents of the entire area will be pleased to learn that the Trade Winds, under the management of Joe Ross, will open for the summer season Friday, April 30.

The popular Trade Winds will again feature Cantonese and Chinese foods of all kinds as well as steaks, chops and chicken dinners. The cocktail lounge is now open and serving the usual mixed drinks as well as the more exotic beverages of the South Seas.

Ross is maintaining the same kitchen staff which has made the resort so popular in recent years.

Candidate Here—
Richard Hoskins, candidate for the office of Nevada County Sheriff, was here this week on business and to call on local voters.

Ransome Plans 'Get Acquainted' Day For May 8

Stove, Water Heater Will
Be Given Away
At Open House

Ransome Company, successors to Mountain Rotary Fuel Company, announces an open house, get acquainted day, for local residents, May 8th at its plant on Highway 40 in Meadow Park.

Free prizes, including a deluxe Wedgewood L. P. range and a General water heater will be awarded at a special drawing scheduled for 3 P. M. Tickets for this drawing are available at the Ransome plant or from any of the Ransome drivers. It is not necessary to be present at the drawing nor is it necessary to make any purchase to win, according to Joe Silvera, the plant manager.

Ransome Company is one of the largest and oldest of the L. P. gas distributors in California and Nevada with offices in Emeryville, Sacramento, Redding, Anderson, Fall River Mills, Reno and Carson City. Truckee was chosen as the company's eighth office after several months of study by Tallent Ransome, president, and Edward McEneeny, general manager, liquefied petroleum gas division. They feel the growth factors here make this an excellent addition to the Ransome Company.

Ransome Company was originally established more than 50 years ago in the San Francisco bay area as a paving and construction firm. It is still one of the largest paving companies in the state.

Parent Participation In Cub Scout Work Asked

Emphasis on the importance of parent participation in the program of the Cub Scouts featured Tuesday night's Pack meeting held at the elementary school.

Cub Scout Master Glen Lee told parents attending that more help in maintaining the various dens is urgently needed. Too few parents are actually assuming any responsibility, he pointed out in asking that volunteers contact him if they wish to devote just a little time to a most worthy cause.

A decision on the summer program will be made at the next planning meeting to be announced later.

The boys Tuesday turned out in large numbers and presented programs that were interesting and showed study and application.

Women Initiated Into Order at Reno Meet

Nomads of Avardaka, El Adaven Santha No. 121 at Reno, initiated Mesdames Pearl Heller, Elsie Olsen and Ruth Curutcherry into the order on Saturday, April 24.

Officiating were Mr. and Mrs. E. Sharev of San Jose, district imperial potentate and deputy potentate and Lee Wilson district deputy potentate of Reno. Dinner preceded the ceremony and a cake was served later in honor of the first anniversary of the Nevada organization. Sixty members took part in the event.

C.S.E.A. TO MEET

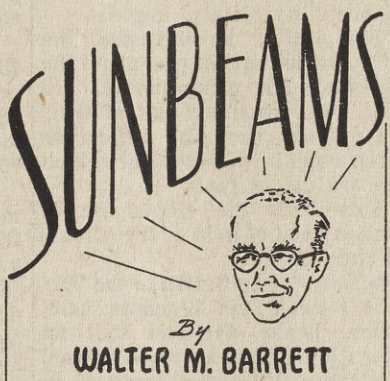

Donner Chapter of the C. S. E. A. will hold its regular meeting at Cozzi's Cafe on May 6 at 7 p. m. at which time Daven Morey will preside. Frank Fox of the division of highways will present motion pictures as program chairman.

LIONS WIN
The Lions Club's volleyball team was victor in the game with the Girls' volleyball team of the Truckee Athletic Club Tuesday night.

DANCERS TO MEET
The weekly session of the Donner Dancers will be held as usual on Friday evening, beginning at 7:30 in Veterans' Memorial Hall.

Yard Foreman

With preparations for the start of operations at the Stockton Box Company mill here going forward, Superintendent Lew Baysinger, announced that A. L. Ellis, of Grass Valley, has been employed as local yard foreman. As soon as his work at Grass Valley is complete, Mr. and Mrs. Ellis will move to Truckee to make their home.

Occasionally there is a spurt of enthusiasm over the idea for incorporating this area and then just as suddenly as it flared up, the idea dies. It would appear that if the proposition has merit and is feasible, that it should be carried out to a finish, either one way or another. The big stumbling block in the path of the plan seems to be a definite lack of leadership. Apparently the incorporation plan is favored by a majority—particularly by those who want to see Truckee united into a self-governed city—but no one and no organization is apparently willing to assume the necessary leadership in assembling facts and figures which should be made available to everyone who is either for or against the plan. Only with these facts, honestly and fully presented, can the project hope to be brought to a conclusion. It seems that it is time now to take action and end the various uncertainties which exist.

WRAY REPORTED TO BE IMPROVED

Encouraging reports were received yesterday from the Washoe Medical Center at Reno where Robert Wray, Tahoma tree surgeon, is being treated for critical burns over his face and body. Doctors have started removing bandages, it was learned and barring complications the popular young man is expected to recover completely.

Wray was burned last week when a pot of tile cement exploded and showered him with the flaming paste.

A telephone call from C. W. Vernon this morning asked that blood donors who can be asked to assist Wray. The move is sponsored by the Tahoe Rotary Club of which the victim is a member. Those wishing to contribute are asked to go to the hospital Monday through Friday or a group can be formed by phoning James Martin at Tahoe City 180W.

California Cafe Will Be Open Nights For Summer

Mr. and Mrs. Tony Polyanich of Tony's California Cafe, announced this week that beginning Saturday, May 1st, they will keep their restaurant open all night throughout the summer season. Fishermen are welcome and are assured fast service and good food.

PLANS PROGRESS FOR 20-30 CLUB PLAY

Preparations are going forward for the presentation of the 20-30 Clubs' three-act comedy, May-ham in the Studio which will start a two-day run at the Veterans Memorial building May 14 and 15.

The scenes take place in a television studio where a variety of shows are going on. The singing, dancing, speeches, etc. are all in comic sequence and are guaranteed to provoke merriment. The show is being directed by Hugh Smith.

Tahoe Ski Club May Merge With Squaw

TAHOE CITY—An open meeting of the Lake Tahoe Ski Club will be held here Friday evening at 8 o'clock and members and others interested are urged to attend.

The question as to whether or not the Lake Tahoe Ski Club and the Squaw Valley Ski Club shall merge will be discussed and decided upon at the session.

Attend Sessions—
J. J. McGlade, administrator at the Tahoe Forest Hospital, accompanied by Mrs. McGlade this week attended a meeting of the Association of Western Hospitals held at Los Angeles April 26 to 29.

Hurt on Skis—
Robert Trask, 14, was treated at the Tahoe Forest Hospital by Dr. George Hahn Sunday night for an injury to his arm suffered in a skiing accident.

State Employment Service Returns Here After May 14

Auburn Office Again Will
Handle Claims In
This District

The state unemployment service—the subject of considerable local controversy last fall—is coming back to Truckee.

This assurance was given this week by Raulin J. Silveira, manager of the Auburn district office. Silveira was here yesterday making arrangements to take over the local service which during the winter was handled on an itinerant basis by representatives from the Reno office.

At the same time, Silveira said all claimants in the North Tahoe area are being notified that beginning May 14th, their claims will be processed at the justice court office in Truckee. The Auburn manager said that he will return here every two weeks after May 14th to handle all employment matters in the Truckee and Tahoe areas and payments will be made at that time.

There are now approximately 140 claimants in this district. Silveira said that between now and May 14th anyone wishing to obtain service may do so by contacting the Auburn office, since the Nevada office no longer has any local jurisdiction.

He also asked employers needing help of any kind to contact him at Auburn or at the justice court rooms here on May 14th.

Silveira said that the unemployment situation, particularly in this region, is apparently adjusting itself, and that he anticipates the case load will be considerably lighter by early June or even sooner.

Professor Speaker At Local Lions Meeting

Prof. Ivan J. Sandorf of the University of Nevada spoke on Power Sources, Resources Throughout the World, at a meeting of the Lions club at Donner Lake Lodge last evening. Frank Gaennie was the program chairman and Charles R. Heller presided. Other guests included W. L. Garrett of the university, R. A. McQuaid of Hawthorne and Lloyd Nations, Glenn Lee and Jack Stewart of Truckee.

REPRESENTATIVE TO SPEAK WEDNESDAY

Plans have been completed for the visit of Representative Clair Engle who will address a joint dinner meeting of all the service clubs of this region at the Tahoe Truckee High School cafeteria on Wednesday evening, May 5th at 7 P. M.

E. V. O'Rourke, school district superintendent, is chairman of the Lions Club committee arranging the reception. Plans are being made for nearly 200 members and their guests expected to attend.

Engle has indicated he will speak on the progress of four-laning of Highway 40 and the local water problems.

Postmasters of Area Hold Local Meeting

Lake Tahoe Sierra Postmasters' Association met at Donner Lake Lodge last Friday with Postmaster Elizabeth C. Bavier as hostess. E. J. Arch, post office inspector and Mrs. Arch of Reno were guests for the evening.

Attending were Mr. and Mrs. Arthur Couillard, Soda Springs; Mr. and Mrs. Otto Frederick, Norden; Mr. and Mrs. Stewart Wells, Emigrant Gap; Mrs. A. Griffen and Mrs. Pryor of Colfax; Mr. and Mrs. Washley and Mr. and Mrs. Penrose of Nevada City; Mrs. Carol Howard and Mrs. Wilma Lucas, of Kings Beach; Mrs. Agar, Zephyr Cove; John Phillipson, Tahoe Valley; Mr. and Mrs. Wilson and Mr. and Mrs. Larson, Stateline, Nevada.

Family Guests—
Mr. and Mrs. James Leamon and son Jimmy of Grizzly Island, were weekend guests of Mr. and Mrs. Robert Leamon.

Flying Buying Trip—
Mesdames Claude Harrison, Harry Stout and Robert Leamon attended the market at San Francisco this week, making the trip by plane.

Precipitation Here Is Near Normal Despite Mild Winter In Area

Although this has been one of the mildest winters on record here, the U. S. Forest Service today reported that precipitation for the season is slightly over 90 per cent of normal as of May 1st.

During the past week, the precipitation, in the form of rain, has totaled .64 of an inch, bringing the April total to 1.71 inches or only .15 of an inch less than the April normal of 1.86 inches.

The total precipitation to date for the season, the U. S. Forest Service reported, is 23.31 inches and the normal for the end of this month is 25.59, so with only one day remaining in the month, the precipitation is only 2.28 inches less than normal.

Tahoe Man Will Seek School Post Now Held By Summit Resident

Melvin F. Jones of Carnelian Bay a former part-time ski coach for the Tahoe Truckee School District, has filed his papers as a candidate to oppose Fred Pedley of Soda Springs for a seat on the governing board of the school district.

The election will be held May 21st.

Pedley is the incumbent representing the Soda Springs district and is the only candidate from that area.

Other members of the board and the areas they represent are Tom Lucas, Kings Beach; Denis Sach, Tahoe City; Reginald Smart and W. A. Loynd, Truckee.

Odd Fellows Observe Founding Of Lodge

The 135th anniversary of the founding of the Odd Fellows Lodge in the United States was observed at a banquet given at Cozzi's Cafe by Donner Lodge No. 162, with their wives on April 27th.

The order was started in this country by Thomas Wiley on April 26, 1819, Frank Titus pointed out.

More Than \$2,600 Goes To County From Court

Judge Foster W. Wilson turned \$2,614.50 from fines and fees collected in the local court, into the Nevada County treasury during the month of April.

The largest portion of the total came from traffic fines, with \$2,411 from this source. Fish and game fines brought \$47, civil fees \$25.50 and \$47 came from the new penalty tax to provide driving courses for schools.

Local Club Will Be Host At Conference

Wyethia Club will entertain the Northern District Summer Conference of Women's Clubs, according to Mrs. Fred Pedley, president of the hostess organization.

Mrs. Pedley's safety song was adopted by the California Federation of Women's Clubs at the Redding conference this month and will be sung at the close of meetings.

Mrs. Pedley as northern district safety chairman, has introduced a safe driving club for the members and those first claiming 100 per cent cooperation will receive a safety scroll.

South Tahoe Man Said To Have Been Suicide

PLACERVILLE—Alvan Wayne Lampson, 56, a businessman and large property owner at the south end of Lake Tahoe, was pronounced dead late Friday in a hospital at Carson, Nev.

Coroner Robert Voth said reports from Lake Tahoe state Lampson died of an overdose of sleeping pills.

TO REMODEL

Hal Welsh and George Carter this week announced that they will close their St. Louis Cafe from Monday until Friday while they have the dining room remodeled.

Mrs. Hugh Smith and daughter, Kim, were guests of Mrs. Mary Mendenhall of Walnut Creek. The latter and Mrs. Harry Knight of Alameda accompanied Mrs. Smith home during the weekend.

Four Injured In Three Accidents In This Vicinity

Mrs. Dave Medford Among
Victims Of Auto
Mishaps Here

Four people were hurt, three of them seriously and one critically in three separate motor vehicle accidents near here during the past weekend.

Mrs. Medford Hurt
Mrs. Elma Medford, 37, wife of Dave Medford of Truckee, is in a serious condition in a Reno hospital with a compound fracture of one leg and other injuries, including concussion of her skull, resulting from an accident on South Bridge street here at 6:30 Sunday night.

According to best information, Mrs. Medford was driving south on Bridge street toward her home when a speeding car, traveling in the opposite direction, crossed her off the road. She lost control and her coupe crashed head-on into the west side of the Truckee Coca-Cola Bottling Company plant. The side of the building and some of the contents were badly damaged as was the Medford car.

Mrs. Medford was taken to the Tahoe Forest Hospital and Dr. George Hahn, after treating her, had her taken to Reno for specialized treatment for the crushed leg. She also suffered a broken right arm, shoulder and her nose was broken. Her husband, who returned from the hospital yesterday, said Mrs. Medford was showing some improvement but would require blood transfusions and lengthy hospitalization.

Her many friends here are hopeful for a speedy recovery.

The mishap was investigated by Patrolman Carrol Maynard.

Two Women Hurt

Most critically hurt was Elizabeth Betty McConachie, 39, Reno, whose car collided with the rear of a big truck and trailer operated by Francis E. Haffley, 36, Denver, just west of Big Bend at 10 o'clock Sunday night. Mrs. McConachie and her passenger, Bernice Boyce were rushed to the Tahoe Forest Hospital by Truckee ambulance.

The driver was found to be suffering from a fractured skull and multiple bone fractures up her left side. Tuesday she was transferred to a Reno hospital for specialized care.

The truck driver was not hurt. Patrolman Martin Sturcke said the impact of the car knocked the rear wheels of the truck trailer off and into the Yuba River. A third vehicle operated by Irvin H. Ward was damaged when struck by the wheels but none of the occupants was injured.

Motorcycle Mishap

George Niskern, 49, San Francisco, was badly hurt when he lost control of his motorcycle while coming down Donner grade Friday morning. The vehicle overturned after failing to negotiate a turn. Niskern was taken to the Tahoe Forest Hospital by Truckee ambulance and will be there for two or more weeks, Dr. Hahn said.

The victim was one of a group of 15 or more traveling east on motorcycles when the accident occurred.

High School PTA Will Hold Meet On May 13th

The next regular meeting of the Tahoe Truckee High School Parent-Teachers Association will be held on Thursday, May 13th at 7:30 p. m. James Nelson, Placer county juvenile probation officer, will be the guest speaker and will discuss the problems of probation that affect to county and the schools and will outline methods that are being taken to correct these problems.

Lew Baysinger, president of the group, states that the attendance at the PTA meetings has not been as good as expected and urges all the parents and teachers to reserve the night of May 13th to hear an important program and get acquainted with the work and planning of the PTA.

MOTHER OF LOCAL WOMAN EXPIRES

Mrs. John Roberson was called to Berkeley last week prior to the death on April 22 of her mother, Mrs. Isabel Hendrickson, which followed a brief illness.

Funeral services were held in Berkeley Saturday afternoon. Mrs. Hendrickson had many friends in this vicinity where she lived for a number of years and has frequently visited since living in the bay area.

Besides her husband, A. T. Hendrickson and her daughter, the deceased is survived by two grandsons, Gavin J. and John Charles Roberson.

Daughter Born

Susan Elin are the given names of the daughter of Mr. and Mrs. Ervin Johnson who arrived at the Tahoe Forest Hospital Saturday, April 24th. Susan weighed 8 pounds and 6 ounces on arrival. Dr. George Hahn was the attending physician.

highway built across the Sierra,
it is interesting to note in the files
of the Sierra Sun & Truckee Re-
publican of 27 years ago the fact
that there was no road at all at
this time of the year.

The articles from the newspaper
at that time follow under the date
of March 31, 1927:

Road Survey Delayed
Due to the prevailing storm,
preparations which had been made
by the local Chamber of Com-
merce to have a survey made of
the snow conditions on the Donner
Summit have been postponed.

Oscar Schumacher and Joe Ken-
nedy had been engaged to go over
the road today from Soda Springs
to Truckee and take measures of
the snow.

From the report of their find-
ings further action if any would
be determined upon.

In the opinion of many, sanding
of the snow should be started and
no doubt when the weather again
clears this will be done as soon
as funds are raised to defray the
expense which is estimated around
\$125.

Opens Tahoe-Truckee Road
Old residents were reminded of
the "good old days" and the late
comers given a thrill on Monday
when the Tahoe stage drove into
town drawn by ten head of horses.

It was the first attempt by Jas.
McIver, owner of this stage, to
open the road so he could use a
wagon instead of having to
change to a sleigh for half of the
distance.

In the deeper drifts fourteen
head of horses were used to draw
the wagon and it was late in the
evening when they arrived in town.

Starting back next morning six
head of horses were used. Drifts
of snow nearly five feet in depth
were encountered and it will be
late next month before the road
is open to auto travel.

Grand Coulee Dam in central
Washington is four-fifths of a mile
long.

GENERAL RELIEF
IN COUNTY GAINS

General county relief in Nevada
county went to 123 people during
February, 1954, up 48 per cent
from the 83 on the rolls for Feb-
ruary, 1953, and 84 per cent more
than the 67 on the rolls for March,
1950, when the over-all indigent
rolls in California were at their
postwar peak, California Taxpay-
ers' association said today.

General county relief, the as-
sociation pointed out, is the only
kind of relief in California that is
financed entirely from local taxes
and is administered under rules
and regulations set up by the local
boards of supervisors in each
county. Aids to the needy aged,
blind, and children, administered

by the counties, are financed by
the federal, state, and county gov-
ernments.

In the county, total relief to the
county indigents during February,
1954, amounted to \$1,650. All of
this was "in kind"—distribution of
surplus commodities, etc.

During February, 1953, total aid
paid to the county indigents group
was \$1,086, with all of it "in kind."
During March, 1950, total aid
paid reached \$853, with all of "in
kind."

LEAKE TELLS OF
INCREASED CRIME
BY YOUNG PEOPLE

VACAVILLE — More than 83
per cent of the arrests in Califor-
nia during 1953 for violations of the
Alcoholic Beverage Control Act in-
volved minors, Paul Leake, member
of the State Board of Equalization,
reported here.

Of the 372 arrests in his own
Third District, including 25 count-
ies from Marin and Sonoma to the
northern part of the state, 93.2 per
cent were for sales to juveniles, he
said.

Indifferent parents are a major
cause of California's rising rate of
juvenile delinquency, but the com-
munity must share its burden of
responsibility, Leake urged.

"It is a pity," he suggested, "we
can't take delinquent parents to the
woodshed. But many parents are
faced with situations not of their
own making, financial difficulties
and personal tragedies for which
they are not at fault.

"Sometimes the elders are as
much in need of help as the offend-
ing children."

Speaking by invitation to the Vac-
aville Parents and Teachers Asso-
ciation, Leake declared that an
authentic national survey disclosed
that "one child out of every 43 in
the United States has a police re-
cord." The survey, he said, included
all children under the age of 18.

A call for public support of the
Board of Equalization in its efforts
to punish barkeepers and licensees
who deliberately or carelessly sell
liquor to minors was issued by the
Woodland newspaperman.

"During the past 25 years, the
population of federal and state pen-
itentiaries has increased nearly four
times as fast as our national popu-
lation—126 per cent, to be pre-
cise," Leake said. "Most new in-
mates have just left their teens."

He pointed out that our national
crime bill is estimated at 15 billion
dollars, and that juvenile delin-
quency has increased throughout
the United States about 30 per
cent since 1948.

Dope addiction is a major cause
of delinquency, Leake said. "We
should lock up dope peddlers and
throw away the key. Laws at pre-
sent are far too lenient. Death pen-
alties for these carriers are in some
cases amply justified," he added.

Declaring that help must be ex-
tended to parents of delinquent
children, the Board member said:
"We want to keep Johnny out of
trouble, whether he likes it or not,
by punishing those who would lead
him astray and by making it hard-
er and harder for him to get into
trouble."

"We want him not to want to
get into trouble."

"Parents must answer for the
action of their children. Indiffer-
ence to this problem isn't just re-
grettable. It's downright moronic.
"Who but a moron would delib-
erately take all the time and trou-
ble and heartbreak and delight and
love that are part of parenthood—
and waste them in a cesspool?"

Leake advocated:
Caution on the part of barkeep-
ers when they examine identifica-
tion cards.

Maximum penalties to adults who
buy liquor for their children or
other teen agers.

Enforced appearance in court of
parents or guardians whose child-
ren are in trouble for buying liq-
uor.

GENERAL RELIEF
IN COUNTY GAINS

General county relief in Nevada
county went to 123 people during
February, 1954, up 48 per cent
from the 83 on the rolls for Feb-
ruary, 1953, and 84 per cent more
than the 67 on the rolls for March,
1950, when the over-all indigent
rolls in California were at their
postwar peak, California Taxpay-
ers' association said today.

General county relief, the as-
sociation pointed out, is the only
kind of relief in California that is
financed entirely from local taxes
and is administered under rules
and regulations set up by the local
boards of supervisors in each
county. Aids to the needy aged,
blind, and children, administered

Voters Urged to Read
Fine Print On Petition
To Sponsor Aged Plan

"Registered voters in Nevada
county should read the fine print
before they sign any initiative peti-
tion," California Taxpayers' asso-
ciation said today.

"Currently, the McLain old age
'pension' promotion forces are cir-
culating initiative petitions which
would freeze in the state constitu-
tion payments to the needy aged in
California of \$100 a month," the
association said.

Payments to the 900 people re-
ceiving aid as needy aged in the
county during January, 1954, aver-
aged \$65.53 per person, with total
payments for the month in the
county amounting to \$58,977.

Statewide, payments to the 271-
334 people on California's aged aid
rolls during January averaged
\$69.12 per person, with total pay-
ments for the month reaching \$18-
755,586.

California already is paying out
more in aid to the aged than are
Illinois, New York, and Pennsylv-
ania combined, the association
said. The \$18,755,586 total paid
during January in California tops
by well over 15 per cent the \$16-
246,365 total paid in the three states
—Illinois, \$5,655,021; New York,
\$7,918,046; and Pennsylvania,
\$2,663,298—during December, 1953.

CONVICT LABOR IN
FISH, GAME GETS
NOD FROM MCGEE

SACRAMENTO—Director of Cor-
rections Richard A. McGee today
pledged full cooperation from his
department if the legislature ap-
proves Lt. Gov. Harold J. Powers'
program for use of convict labor
in a statewide fish and game de-
velopment program.

State Senator Ed C. Johnson
of Marysville, chairman of the
senate fish and game interim com-
mittee, will conduct initial hear-
ings on the plan within a few
weeks. Powers asked the commit-
tee to organize a program for con-
sideration by the 1955 legislature.

The lieutenant governor sug-
gested projects might include
stream improvement, check dam
construction, watershed restora-
tion, development of additional
spiny-ray fishing waters, and con-
struction of access trails and roads
to trout waters now rarely or never
fished because they are inacces-
sible.

The plan contemplates Summer
and Fall operations from portable
"spike" camps when the mountain
regions are free of snow.

"If they decide they want to
undertake a program, we will be
ready to cooperate with them in
every way," McGee said.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Wana buy a horse? This is a case where the good horse sense turned out to be a lot of nonsense. At least Tahoe Vista can now boast of having a couple of bronco busters in their midst, namely Walt Bailey and Meredith Siple. It seems that Walt got himself a couple of horses and put them safely in a corral, but the horses not having seen the lake before, decided to take a closer look, broke out and made a beeline for the water. And then the fun started. They dove in and started to swim out. Bailey yelled at them to come back, but they gave him a horse laugh and kept going. This got serious when Walt and his two boys spotted Meredith Siple's outboard motor attached and dashed out on the pier with Meredith on his heels. By this time the horses were half a mile out and making for the south shore. All four cowboys got in the boat and gave chase, finally catching up to the horses which, according to Meredith, were about a mile out and going strong. They finally succeeded in turning one around and after a lot of coaxing it made its way back the way it came and landed half a mile west. The other critter was not so easy to handle. They tried everything. Then they decided that one of them would get on the horse's back and ride it in, but by the time they argued which would do it, the horse sank neatly to the bottom. As he bounced up again they got a rope around his neck and started to pull, but were rewarded by nearly choking the animal. Then, getting low on gas, they were scared of getting stuck. Finally, the horse seemed to get new life and headed for shore with the cowboys hanging onto the rope to be pulled back to land by the horse. Believe it or not this episode was more fun than a picnic—at least to those watching from shore.

Well now it's the Riola Inn opening. Another bright spot for Kings Beach. Steve says "boy it's going to be a big one this year." Sure hope he's right. Our old friends, Mr. and Mrs. Rush, came to town during the past week and we are glad to see them. They have cottages on Fox street and are really community-minded citizens. The P. T. A. potluck dinner held on Sunday night at the Kings Beach School was a huge success. The members and friends are to be commended on their splendid cooperation in donating delicious dishes and also supporting it with monetary contributions. The Tahoe

Twirlers gave up their monthly pot luck dinner to attend the affair. Special thanks goes to the various individuals who also gave much of their time and efforts.

Ira and Mrs. Blair are back in town after being out for the past few months. They are busy opening up Blair's Cottages at Kings Beach.

There is also activity around the Lakeshore Resort at Tahoe Vista where the Tom James have built a number of new apartments on the lake side of the highway. Pretty nice, too.

Had a nice little party at the Meredith Siples in Tahoe Vista during the weekend, celebrating the visit of Dallas and Mrs. Kalbaugh of Burney, Calif. Dallas is a nephew of Dee Siple. The Miedemas and we were there and it was good.

The Wee Kirk of the Pines was well filled last Sunday morning. The choir is doing a swell job. Oh, yes, and quite an addition to the choir is Joellyn Ashton. Eight new faces were to be seen at the services. According to Rev. Covher, the trustees are contemplating the building of an outdoor chapel for the comfort of the congregation. The new rooms for the pastor's quarters will be finished in short order. By the way, in the last issue the number of attendance at our Easter services was listed at 30 but the real number was 300—quite a difference a little zero makes. Rev. and Mrs. Covher and Mr. and Mrs. Abbott left Monday for Sacramento to attend a conference. The Methodist Youth Movement group now meets each Sunday evening at the church. After the meeting, games and refreshments are in order. On May 7 and 8 the group will journey to Lovelock to attend a conference. Interest in the church is growing by leaps and bounds, thanks to our new minister and his willing helpers.

Leon Barker the insurance agent is now back at his home in Kings Beach and his office on the Truckee shortcut.

Was talking to Don and Mrs. Painter who are back in their home at Lake Forest and they tell me as soon as they got back they have an increase in the family—six of the cutest cocker spaniels you ever saw—little blondies, too. Don is back with Carl Brooks for the summer.

Joe and Mrs. Dolce of Kings Beach are back and opening their La Dolce Cabins on Highway 28. Glad to see them.

And now it's the John Mason Dixons that have arrived in town after a winter at Desert Hot Spring. It must have done them both a lot of good, cause I hear their clothing are bulging at the seams. Sure nice to have them back again.

Tahoe Items

by Jeannette Mitchell

Hello, Friends and Neighbors: Today there is a soft April showing of our pines and though rather on the dark side, it is beautiful and cleansing, making still faster work of the melting snow. Green lawns are appearing and early crocus brilliantly line many lawns while our daffodils are yet to bloom. Folks around about here are all busy as bees getting their resorts cleaned and opened for business, hence the short letter today.

Fern Schleuter is about and so happy to be home. A lovely letter from Mrs. Zimmerman tells me they are enjoying a short sojourn in the Carmel Valley but would have to look toward the Fresno area to "get warm."

As proud as a peacock is Earl Nelson of Nelson's Cottages, Kings Beach, at the swell job he is making of rejuvenating his cabins. He is one of those community-minded citizens that has watched the area grow from a few small cabins to the beautiful buildings that now adorn the neighborhood.

And the Doug Frees are now in their wonderful new addition that sprang up during the winter. It's swonderful.

Had a nice visit with Francis and Maureen O'Shea who have been entertained by Richard and Ruth Lavery in their beautiful home at Carnellian Bay during the past week. Francis is district attorney of Sacramento County and naturally well versed in law work, which made the off-the-record discussions very interesting.

Never at this time of the year has the Brockway golf course looked so fresh and green. Men are working hard to get it in shape for opening as soon as possible.

**BUILDERS EXCHANGE
SEEKS MEMBERS AS
PLANS ARE OUTLINED**

KINGS BEACH— The recently organized Tahoe Sierra Builders Exchange is currently making a concerted drive for new members with a potential of well over 100 contractors in the Lake Tahoe, Truckee and Donner Summit areas expressing satisfaction with the purposes of the organization.

At a meeting last week the group named A. E. Abbott, president; W. F. Ball, vice president and J. C. Felte, secretary, and adopted a set of by-laws and regulations to govern the conduct of the new association.

All contractors in the various crafts are invited to join the new organization.

The objects of the exchange included up" Mr. Zimmerman had a little ill health this past winter but is feeling much like his old self and looking forward to their arrival at their summer home on the shore of Lake Tahoe in perhaps another month. The Zimmermans expressed their appreciation of hearing the news of Tahoe through the Sierra Sun and we are happy to know that.

A short note from Swanee tells me of her coming home very soon now when this correspondent will again turn the news over to her for which many will be glad. Believe me, folks, it takes a good correspondent to get you all the news!

We have a very pleasant and interesting addition to our innermost sanctum of our community folks—a Dr. and Mrs. Stewart Dingwall. Dr. Dingwall is erecting a veterinarian office down the Truckee river a piece, next door to the Lakeside Oil Company. Stewart and his wife, Betty, are formerly of La Jolla and I think all resorts and year around residents will find that the doctor's boarding kennels and animal hospital will be more than rewarding. It makes us feel quite cosmopolitan. Good luck in your new business, Dr. Dingwall and welcome to our community.

Don't forget that May 7th is the date for the next meeting of the board of directors of the Lake Tahoe Sierra Chamber of Commerce, to be held at 7 P.M. at the Ski Run Tavern. Hope to see a good turn out. Also there will be a luncheon on May 14th at Cal-Vada to have a meeting regarding the pier situation, so all pier owners should be present. Officials from the state lands commission will be there.

And so, my friends, this is definitely a "brief" but everyone is busy, so adios til next week. Jeannette Mitchell.

**HIGHWAY USE FUNDS ARE
ALLOCATED AS NEVADA
COUNTY GAINS \$19,185**

SACRAMENTO— CNS— State Controller Robert C. Kirkwood today announced that Nevada county received \$19,185 in highway use taxes for the month of February. The sum was taken from \$4,933,206 in February highway taxes collected by the state for county road use.

Imperial County had 2141 farms in 1950, according to the Census of Agriculture of that year.

clude "To join in one exchange all Tahoe Sierra area employing contractors of every kind in good repute and also all other in good repute connected with the building and construction industry in the Tahoe Sierra area; to establish and maintain among the individuals so associated a just and equitable system of dealing, and a uniformity in commercial usages by rules and regulations; to acquire, preserve and disseminate valuable information regarding the business in which they are severally engaged.

It is expected that a full board of directors can be named at the next session when organizational procedure will be completed.

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p. m. on May 26, 1954, at which time they will be publicly opened and read in the Assembly Room of said building, for constructing State Highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada and Placer Counties, at four locations (III-Nev, Pla-37,38, 83-Var), a net length of about 12.5

miles, plant-mixed surfacing to be placed over existing surfacing and cement treated base.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Classification	Rate per hour
Apprentice (oiler, fireman or watchman)	\$2.27
Asphalt plant engineer	2.77
Bootman	2.18
Boxman or mixer box operator (concrete or asphalt plant)	2.44
Fireman in hot plant	2.38

Flagman	2.00
Heavy duty repairman	2.77
Heavy duty repairman - helper	2.27
Laborer	2.00
Operator of power shovel and or other excavating equipment with shovel-type controls (up to and including one yard)	2.93
Operator of power shovel and or other excavating equipment with shovel-type controls (over one yard)	3.10
Power grader operator (power planer, motor patrol or any type power blade)	2.93
Roller operator	2.77
Screed man	2.38
Spreading machine operator	2.77
Tractor operator	2.77
Truck driver (less than 4 cubic yards water level capacity)	1.99
Truckee driver (4 cubic yards and less than 8 cubic yards water level capacity)	2.09
Truck driver (8 cubic yards and less than 12 cubic yards water level capacity)	2.29
Truck driver (12 cubic yards water level capacity or more)	2.49
Any classification omitted herein not less than	2.00
Overtime - not less than one and one-half (1 1/2) time the above rates.	
Sundays and holidays - not less than one and one-half (1 1/2) time the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft classification or type of workmen employed on the project.	

Plans may be seen, and forms of proposal, bonds, contract, and speci-

TAHOE NEWS

Lake Tahoe residents are coming back this week, preparing their places for the summer season. Mr. and Mrs. William Haste of Gardena will be at Tahoe this weekend; the A. J. Ketmans are arriving from Menlo Park to reopen at Carnelian Bay and Mrs. Rose Boyair-

fications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California, and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

It's An Investment!

Your car represents a good sized investment in hard earned cash and it is a reasonable fact that it deserves the very best in care. You will find that you get greater return in pleasure and economy from your investment when you make sure that all check-ups and repairs are done by experts.

You can depend on us for the best . . . and it costs less in the long run.

Osburn's BUICK GARAGE & PARTS HOUSE
HIWAY 40 TRUCKEE CALIF.

H. J. Newsham, your Telephone Manager in Truckee

WHAT'S DOING

New gun shoots wire instead of bullets

If you ever visited your local telephone office, you most likely were amazed at the thousands of small wires that connect the intricate equipment. It used to be that each tiny wire connection had to be soldered by hand. But today, on some kinds of equipment, a new wire wrapping gun is used. It literally "shoots" wire around a terminal. And it grips so tightly that, if you tried to pull it loose, you'd break the wire first. By doing an important job faster, better, cheaper, the wire gun

helps us provide service at low cost to you. Pacific Telephone works to make your telephone a bigger value every day.

Long distance calls now cost you less

The reduction in excise tax from 25% to 10%, voted by Congress, is good news for long distance telephone users. All of the reduction will go di-

rectly to our customers. It means that every long distance call you make—to anywhere in the country—now costs you less.

Enjoy the convenience of an extra telephone for just pennies a day

Anywhere in your home—in the bedrooms or kitchen . . . in the garage or basement—you can enjoy the added convenience of an extension telephone. Extensions make it easier for the whole family to place calls, receive calls. And this step-saving service is yours for just pennies a day. To order your extension, call our business office today.

SAVE TIME AND STEPS

Have you thought about that extra telephone? If you have and wondered if it is too expensive, just call Mrs. Deaton, Mrs. Rau or Mrs. Morrison and find out just how little an extension telephone will cost each month.

Some uses for an additional "phone" you'll find are in the kitchen, bedroom or in the workshop or basement—No more wondering if the "phone" rang and if it did and you are late answering, who called and will they call again?

If you want to find out more about extension telephones, call Truckee 50 or come in to see us. We are now open all day 8:30 A. M. to 5 P. M.

Child in Street Should Be Warning to Drivers

SACRAMENTO — A child near the street is a caution sign. California Highway Patrol Commissioner B. R. Caldwell said today that any child playing near a street or highway should be an automatic warning signal to motorists to slow down and proceed with caution.

"The greatest single killer of children under 15 years of age in our country today is the traffic accident," Caldwell declared. Pointing out that children are

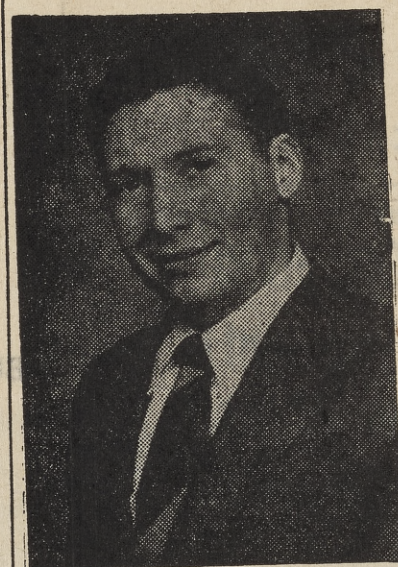

TAHOE FOREST ACTIVITIES

...This week's column will be devoted to odds and ends, all of which, it is felt, will be of interest to everyone.

Burning Permits Required
 As of April 15, the state law requires that burning permits be secured from the State Division of Forestry or the U. S. Forest Service for all outside burning except campfire in approved areas. This includes trash, rubbish, incinerators about the home or farm, as well as slash from timber cutting. Permits will be required to November 30th.

Recent Timber Sales
 The sale of 80,000 board feet of timber was made on April 5 to the Sierraville Lumber Company of Sierraville, California. The sale area was at Harding Point, Sierra

usually willing to follow the example of others, Caldwell said that a youngster who exhibits a disregard of traffic regulations often mirrors the training or lack of training, that he has received in the home. Careless habits in walking, wild play in moving cars or leaning out car windows always reflect a lack of proper safety training in children.

ELECT
Harold A. BERLINER
 Nevada County's District Attorney

OUR DEMOCRACY — by Mat

"The sober second thought of the community is the firm base on which all law must ultimately rest."

— HARLAN F. STONE — CHIEF JUSTICE OF THE UNITED STATES, 1941-1946

NOT ONLY JURISTS AND STATESMEN, BUT PEOPLE IN ALL WALKS OF LIFE REALIZE THAT OUR DEMOCRACY'S STRENGTH COMES FROM THE VARIETY OF VIEWS, IDEAS, AND BACKGROUNDS THEY REPRESENT — WITH FINAL DECISIONS HAMMERED OUT ON THE ANVIL OF PUBLIC OPINION.

MOST MODERN TYPE CARS DELIVERED TO RAILROAD

First deliveries on an order for 25 new passenger chair cars placed by the Southern Pacific last year have just been made, it was announced by C. E. Peterson, vice president in charge of system passenger traffic for the railroad.

The cars embody newest developments for passenger comfort and are for service on the City of San Francisco, operating between San Francisco and Chicago; the Sunset Limited, the Golden State, the Coast Daylight and the Shasta Daylight.

IT'S WISE TO ADVERTISE!

County and was primarily for clean up of infected trees. Additional sales are now ready for advertising, which will increase the income to the local county governments, as well as to the federal treasury.

Equipment Operation Training
 The Tahoe Forest are hosts this week to a group of equipment operators who are receiving special training to assure the use of the best methods of using graders, tractors and other heavy equipment in road maintenance and construction. Special training will also be given in following safe work practices. The men, 30 in number, are billeted in Nevada City, but are transported each day to the actual work project.

Timber Operator's Meet
 On April 20 a meeting was held in Grass Valley at the National Building with all timber and sawmill operators located in the Tahoe Forest area. This meeting was for the purpose of giving the operators the forest's plan of sales to be made this year, roads that are to be surveyed and constructed and other information which could be helpful to the industry in planning of their year's work. This was the second such meeting held and was under the direction of Staff Officer H. Branagh. For the second year, a good attendance and group interest in the forest service program indicated the desirability of continuing these public meetings.

TAXPAYERS ASK BOARD IN PLACER TO STUDY PLAN FOR REDUCTION

AUBURN — T. L. James, president of the Placer County Taxpayers Association, heading a committee to three, this week appeared before the board of supervisors and advocated that an economic adviser be hired to study the 1954-55 preliminary budget and determine the actual needs of each department of the county government as to the best means of insuring efficiency and economy.

Additional suggestions made by James and the committee to trim the budget and reduce the tax rate were to hold all wages and salaries at their present level; to cut the tax rate by 35 cents on each \$100 of assessed valuation; to roll back expenses at least to last year's level.

Veterans Support Governor Knight

A war veteran himself, Governor Goodwin J. Knight this week was gratified to announce formation of a strong Veterans-for-Knight committee headed by Frank N. Belgrano, Jr., as chairman of the Northern California group.

Belgrano, who also has a distinguished war record, is a past national commander of the American Legion and is president of the

and to restore all en lieu money derived from the tax on motor vehicles to the general fund instead of dividing it between the general fund and the road fund as was done last year, or letting it all go into the road fund as in the two previous years.

Stressing the desire of the Placer County Taxpayers Association to cooperate with the board of supervisors and other county officials in holding down expenses and relieving the burden on property owners, James said these suggestions were advanced in good faith for study by the supervisors.

RAIN AT TAHOE
 TAHOE CITY — After weeks of ideal weather which saw the temperatures soar to as high as 69 degrees last Friday, this area Tuesday was visited by a gentle rain. The lake level stood at 6228.10 feet with only one gate open.

Transamerica Corp. Belgrano said he was honored to head the Veterans' committee for Knight and stated:

"So far as the more than 1,000,000 veterans of California are concerned only one of the two major candidates for Governor has an active war record in the defense of his country and that is Goodwin Knight. He left school at Stanford in 1917 to enlist in the navy and served as an ordinary seaman aboard sub-chasers in both the Atlantic and Pacific. When the war was over he returned to his studies at Stanford.

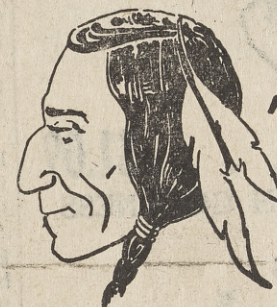

"The veterans of this state know and love 'Goodie' Knight. They know him as a comrade in arms. They know his fine record as a judge. They know he served them and his state well for seven years as Lieutenant Governor and they are greatly appreciative of his splendid performance as governor."

SCHOOL NEWS

Truckee Elementary
KINDERGARTEN: On Wednesday we enjoyed seeing two film

strips, one concerning health and the other playground behavior.
On Tuesday Debbie Ellis celebrated her sixth birthday. This brings the total of six year olds in our class to six.

FIRST GRADE: We planted our flowers Friday and have been learning to care for plants and what to do to make them grow tall and beautiful.

SECOND GRADE: We are learning about the fractions one-half and one-fourth in arithmetic.

Those having correct spelling papers last Friday were Richard Sorani, Robby Kaspian, Toni Hallett, Dick Ingalls, Carol Gracik, Sue Guymer, Bruce Falconer, Lewis Heil, Evelyn Hintz, Jean Wakefield, Dianne Cardinal, Betty Baysinger, Leilani Brasch, Lois Donabney, Lynn Quarty, Sara Van Sickle, Daryl Breakfield, Karey Kielhofer, Liane Kay, Clifford Heizer, Sherrian Donnis, Gary Costa, Wilana Curran, Steve Besio, Rod Leisure, Bobby Frates and Daphne Robichaud.

THIRD GRADE: After a pleasant Easter vacation, everyone returned ready for school Monday. Many interesting reports were given.

Those pupils making 100 in spelling were Daven Morey, Pam Rose, Janice Stefart, Gary Brines, Dennis Whiteneck, Jerry Kirby, Ellen Patoude, Buzz Drewery, Robert Stone, Mike Lee, Diane Patton, Linda Heizer, Freddie Steele, Darby DeLisle, Kattie Ellis, Shirley Guymer and Margaret Pemberton.

FOURTH GRADE: The fourth grade enjoyed hearing about each others vacations. We were able to find most of the places to which they traveled on our maps.

We have finished our maps on Mexico. Miss O'Brien showed us the pictures she took while in Mexico.

SIXTH GRADE: The class had a busy week. On Thursday, Mr. Bergen spoke to the class and their parents about next year's program in the seventh grade.

We are looking forward to the Tahoe Truckee Elementary schools' music festival to be held at the high school on Friday evening, May 7th.

Joe Montano, Donald Brown, Bucky Cadjew and Stanley Stock, together with the first grade, have been helping to put the grounds in better condition since the snow has left for the year.

Kings Beach School
KINDERGARTEN AND FIRST GRADE: We saved the most money to put in the bank so we get the thrift banner for a week.

Wayne's mother, Mrs. Walt Man deville, came to listen to his reading group Tuesday morning.

Two new children transferred to our class from Delano. They are Jimmy and Mary Ann Joyner.

SECOND AND THIRD GRADES: Friday, during language arts period, we wrote letters to Donnie Decker, who is in the hospital at Auburn. While playing during the Easter vacation, Donnie fractured his leg. We hope he will be back to school soon.

This week Janet Mallory and Diane Davis returned to our room. Janet spent the winter in Monterey Park and Diane at Bakersfield.

Little four year old Andy Thompson, Greg's brother, visited school Thursday.

Frances Howard brought several Mexican stamps to show our class. Mrs. Herschel Hill, Raymond's mother, visited our room Friday.

FOURTH, FIFTH AND SIXTH GRADES: This week we received our new radio from the PTA. Every one in the school extends thanks for this wonderful gift.

We had three new students in our class Monday. Freddie Davis returned from Bakersfield, Randy Shultz came from Los Angeles and Butch Hill from Palo Alto.

Everyone enjoyed the cleanup campaign for our school grounds. For lunch we roasted hotdogs and Mrs. Little served lunch outdoors.

Tahoe Lake School
KINDERGARTEN AND FIRST GRADE: The first graders are finishing up a farm mural that extends from one end of the room to the other.

FOURTH, FIFTH AND SIXTH GRADES: We welcomed two new students after the Easter vacation, Jerie Ginstead, a fourth grader and

Visit Here—
Dr. and Mrs. R. Overholt of Folsom were weekend guests of Richard Joseph.

Diane Horvath, fifth grader. Jerie returned from Reno and Diane is new in school, coming from East Whittier.

We have nearly completed our study of the westward movement in social studies. We saw a film on the Pony Express last week.

The sixth graders have begun a study on alcohol and its effects on the human body.

Schools Week. We invite you all to visit us any time this week. In social studies our younger group will start making a small map of a small town.

Donner Trail School
Last week we put the finishing touches on our display for Public

Tarzan

by EDGAR RICE BURROUGHS

GOYAT AND THE JUNGLE LORD WERE TRAPPED IN A RAVINE AND FORCED TO BATTLE FOR THEIR LIVES AGAINST FEROCIOUS CARNIVORES.

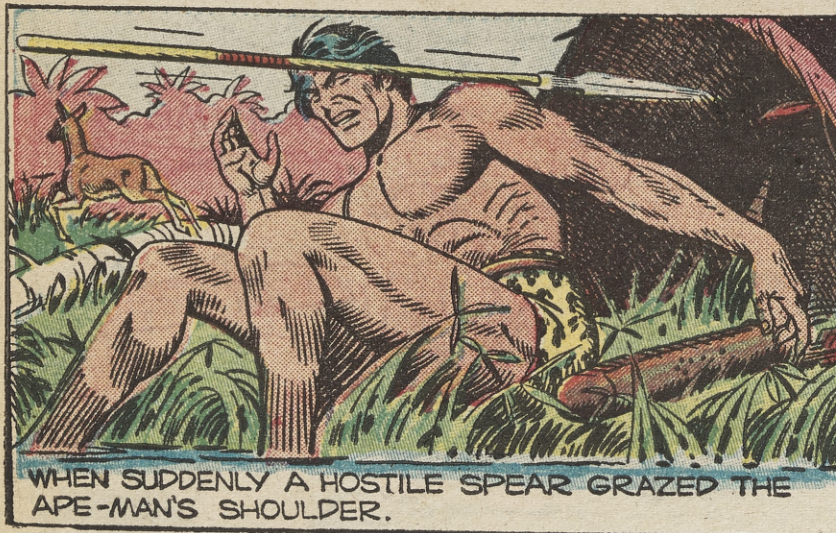

THINKING QUICKLY, TARZAN HELD THE CATS AT BAY AND CALLED TO GOYAT TO CLIMB UPWARD, USING HIS SHOULDER FOR A STEP.

NOW, FROM THE TOP OF THE ROCK, GOYAT HASTILY PULLED THE APE-MAN AWAY FROM THE SLASHING CLAWS OF HIS ENEMIES!

THE TWO FRIENDS RETREATED TO THE JUNGLE IN TEMPORARY SAFETY AND REFRESHED THEMSELVES BY A BUBBLING STREAM--

WHEN SUDDENLY A HOSTILE SPEAR GRAZED THE APE-MAN'S SHOULDER.

DICK VAN BUREN
JOHN CELARDO

AND SOON A HORDE OF SCREAMING SAVAGES LEAPED OUT FROM THE BUSH! STRIPER'S HENCHMEN-- IRONICALLY, THE SAME NATIVES TARZAN HAD SPARED FROM THE ANIMALS!
